(111724038045)**

ACKNOWLEDGEMENT

We would like to express our sincere gratitude to all those who have contributed to the successful completion of this project.

First and foremost, we extend our heartfelt thanks to our project guide, **Mrs.S.Sarashri, Assistant Professor**, for the continuous support, guidance, and encouragement throughout the development of this project. Their expertise and valuable suggestions have been instrumental in shaping this work.

We are deeply grateful to **Mrs.Bala Sheshu kumari**, Head of the Department of **BSC Computer Science and Artificial Intelligence**, for providing us with the necessary facilities and resources to carry out this project successfully.

Our sincere appreciation goes to all the faculty members of the Department of **Artificial Intelligence** for their support and encouragement throughout our academic journey.

We are thankful to our classmates and friends who have helped us directly or indirectly in completing this project. Their constructive criticism and suggestions have helped us improve the quality of our work.

Last but not least, we would like to express our deepest gratitude to our parents and family members for their unconditional love, support, and encouragement throughout our academic pursuits.

Yours Sciencerealy

THURPU OMKARESHWAR
